

2020 Canada Africa Partnership Virtual Ride Scavenger Hunt Challenge – June 5-7, 2020

Instructions

- The 2020 CAP Ride scavenger hunt is an optional challenge to YOU and your team to look for the following items throughout the weekend during your rides.
- All answers are objects that may be found outdoors, from the seat of your bike!
- We are accepting one response per team per clue, and will count the first response we receive from any member of your team on a particular question
- To submit a response, please send a photo of the answer to the question with evidence it was taken during the ride (i.e. you, your hand, your ride pinney, your button etc. are in the photo) to ride@capnetwork.ca
- To ensure points are awarded to your team, please indicate the name of your team and the number(s) of the question(s) you are answering in all email submissions
- Decide among your own team how you will tackle the list, and stay in touch over the weekend to share updates on who has solved, located and submitted which questions! Consider printing and bringing this sheet along on your ride!
- Not sure on the correct answer? Get creative! We will award half points for creative answers that were not what we had in mind.
- We will accept responses starting at 8pm EDT on Friday, June 5th and until 3pm EDT on Sunday, June 7th – please submit responses as you find them!
- We will announce the winning team, and award prizes, during the event closing ceremony, at 5pm EDT on Sunday, June 7th via <https://zoom.us/j/4165322437>
